(封筒記載例)

(長3 封筒：裏)

The diagram illustrates the back of a Japanese envelope (封筒) with a vertical address label. The envelope is rectangular with a triangular flap at the top and bottom. A vertical line runs down the center, with a circular seal (印) at the top and bottom. On the left side, there are two vertical columns of text and circles. The first column contains the text '差出人名' (Sender's Name) and '会社名' (Company Name), followed by seven circles. The second column contains the text '差出人住所' (Sender's Address), followed by seven circles. The circles represent the address label's perforations.
